VIDEO PRODUCER

A crafty video producer with 7 years of filming and editing experience. A jack of all trades, being able to conceptualize and write scripts given goals or problems to solve, prepare production schedules and scout locations, props, talent, licensing, etc. Has experience shooting both outdoors and indoors, working with light set-ups, operating cameras, directing actors, and recording audio on set. Proficient user of Adobe Premiere, After Effects for editing, color correction, and motion graphics. Uses Logic Pro and Audacity for sound design and mixing/mastering. Fast learner, an efficient team player, focused hard-worker.

EMPLOYMENT HISTORY

Paradise Bird - paradisebird.co

Executive Producer

*San Francisco, CA
September 2017 - Present*

Helping businesses produce and distribute video content by telling a story about them or their customers. Managing a team of creative individuals to provide the best quality of storytelling on the market.

DmitryKotov.com - dmitrykotov.com

Video Producer

*Los Angeles, CA
July 2014 - September 2017*

Produced video content by serving as a "Swiss army man" in a video production field to help teams raise awareness, help sales and support customers. Has grown a single man operation to a full-cycle production studio by engaging a vast network of vetted professionals around the globe.
